APRIL 2016

PRESIDENT'S VIEWPOINT

Please welcome Sheryl Paris as the AWC's new Treasurer. Her background includes working for the State Attorney's Office and experience as a Treasurer for a non-profit. We all sincerely appreciate Sheryl taking on this role.

As mentioned at the last monthly meeting, I am working closely with Sheryl as we develop the 2015 Financial Statement and setting up a new accounting system. She and I will be meeting with the Accountant, Carol O'Brien, in the next week. Carol will complete a review of the AWC financial records and accounts. This is a customary action whenever there is a turnover in the Treasurer role.

More importantly, Spring has finally arrived albeit it is still a little chilly. With everything in Nature about to bloom it is time to think about painting and all that the AWC offers. Please consider entering one of the upcoming exhibitions, attending our Spring Fling and enrolling in one of the workshops.

Come and join in the fun.

With much regard, Melinda

FROM THE VP'S DESK

The quality and depth of artistic excellence in our club never ceases to impress me. We have one demonstration after another with world class painters sharing their knowledge with us at our meetings. The February meeting was a confirmation of that with Sue Corrigan-Yo giving us her enlightening presentation of the importance of using the proper "Triad" for your painting. Thanks to Sue for delivering a wonderful example.

Well, Spring, in all her glory, is finally here and our "Spring Fling" is around the corner. It will be held at Maryland Hall on April 13th in Room 308 starting at 7:30. This event will be presented in the same way that the Christmas Party is held in that it is mostly a social event. All members are encouraged to bring something to eat or drink, whether it is Savory or Sweet, Soft drinks or Wine. It's a chance for us to chat and exchange ideas. (Cont. on page 2)

BOARD MEETING - APRIL 2016

Board Meeting April 7, 2016, 7-9 pm, Baldwin United Methodist Church, Educational Building, 921 Generals Highway, Millersville, MD 21180. All members are welcome!

FROM THE VP'S Desk (cont.)

To continue with that theme, we will have an opportunity to share views about the art of our members with Christine O'Neill as our guide.

Members can bring in (1) one piece that they would like to review and Christine will lead them in a constructive appraisal of how to improve the pieces or just point out their artistic qualities.

Christine's approach in her own words is "I will try to talk about each piece in terms of PQP - Praise - what I think is working well, Question - if necessary - perhaps why something was done - i.e. choice of color; Polish - make suggestions, if needed, to create a stronger painting." It should prove to be an enlightening evening for all.

See you at the Meetings, Richard

CHRISTINE O'NEILL ARTIST'S BIO

For those of us unfamiliar with Christine, let me give you some background. She has traveled extensively throughout the Caribbean, South America and the U.S. Many of her paintings are inspired by the places she has visited.

Her paintings are created in oils, acrylics and watercolors; and show that each of these mediums have their own characteristics, that help to create the right atmosphere or mood for a particular painting.

The effect of light and shadows continues to be a driving force in all of her paintings – whether still life or from foreign travel and life around the Chesapeake Bay. She is a world class teacher and mentor.

WORKSHOP - NEWS AND NOTES

LYNN FERRIS, AWS, NWS, FWS
Workshop - June 25
“Light and Shadow”

Good use of light and shadow can change a painting from ordinary to extraordinary. Using a limited palette of mainly transparent paints, students will learn to design with light, recognize light sources and the shadows they create, add drama and luminosity. Lynn provides handouts, reference materials, and lots of personal attention.

We are so fortunate to have the opportunity to study under an artist of Lynn’s caliber. Our Workshop will take place in the light and airy space of Fellowship Hall at Baldwin United Memorial Church Educational Building, Millersville on June 25th. Register early for this one as it is sure to fill up quickly. Send your check together with the Registration Form found in this Newsletter to the address on the form.

LYNN FERRIS ARTIST’S BIO

Lynn is a signature member of the American Watercolor Society, National Watercolor Society, and Florida Watercolor Society. Her work was the subject of a feature article in *Watercolor Magazine* and can be seen in *Watercolor Magic* and the prestigious *Splash* series of books published by Northern Light. Her numerous awards include “Best of Show” in both the Florida Watercolor Society and Tallahassee Society annual exhibits. She has been an award winner in *The Artist’s* magazine All-Media Competition, and her work is included in the Museum of Arts and Science’s permanent collection in Daytona Beach.
