DATES TO REMEMBER

PRESIDENT'S VIEWPOINT

For all who could not attend our Holiday Party we truly missed you. It was a marvelous party and many, many thanks to Richard Schatz and his helpers as it was super fun. The food was yummy, the decorations beautiful (thanks to Mildred Anderson and her elves), the gift game was better than ever, everyone enjoyed each other's company and we welcomed some new members. Based on the success of this event, we are looking to add more opportunities to socialize.

During the party Richard Schatz and Sue Corrigan-Yo, on behalf of AWC, acknowledged Nadine's many contributions to AWC with a gift of appreciation. Richard also thanked Sue for her role as Vice President. Sue has given much time, effort, talent and, most of all, her wonderful personality to the AWC.

As most of us know, Peter De Vries will be stepping down in January and will not be able to continue as Treasurer. Pete has done a fantastic job as Treasurer and while he will be hard to replace we need to find someone who can fill his role. If you would like to volunteer to take on the Treasurer role you will have much support. Please contact me if you are interested.

I also want to thank everyone for the confidence you have placed in me by electing me your President. I was sincerely humbled and surprised that my name was put forth. I know I have very big shoes to fill and how can you ever replace anyone like Nadine. I will give it my best effort as she has been our AWC Super Hero and her contributions to AWC are too numerous to list.

As for our wonderful Board Members, Members at Large and Volunteers – what a great team – this was one of the reasons I accepted to take on the role of President as I've been extremely impressed by all they have done on behalf of the AWC membership. (Continued on page 3)

NOTES FROM THE VP

Welcoming in the New Year!

Just a few comments first.

Thanks to **Nadine Vauthier** and **Sue Corrigan-Yo** for guiding us over the past several years and a welcome to our new President **Melinda Evans**. Thanks also to all those that helped with the Holiday Party. We couldn't have done it without you!

Our demonstrator for January will be **Rob Wood**:

Rob has painted many subjects over the years but his favorite is landscape. He works in watercolor because of the surprises that occur during the painting process; He enjoys building on the unexpected things that happen, and prevent his work from being too constrained.

Rob feels that landscape painting should offer something much deeper that people can take away with them, such as the warm light of an autumn afternoon, or the cool shadows of a summer eve.

He will bring in a sketch and hopefully complete the painting. Rob will explain, as he goes, some of the decisions made during the process. There will be some examples of his work, and he will talk about what he is looking for in a scene to make it interesting. His Artist Bio appears on page 4.

See you on January 13. - **Richard Schatz**, Vice President, AWC

MEMBERSHIP NEWS

We had four new members join this month. Three have been taking classes with **Sue Corrigan-Yo**; they are **Doris Marsh**, **Frieda Butler**, and **Daniel Pompa**. Thanks, Sue, for continuing to spread the word about AWC! Our fourth new member is Carol Vaughn. Welcome to all!

This year I joined half a dozen or so other members at **Mildred Anderson's** house to help make the centerpieces for the Christmas party. This is a great chance to socialize with other members, and at the same time, get the job done. I had never had any training in flower arranging before, but Mildred is an excellent teacher, so I learned something new too! I would encourage anyone to try this next year.

You will be receiving the 2015-16 membership list by mail. Please respect your fellow club members; this list is for club use only! As of the end of the year, there are 123 paid members. If you do not receive the list in early January, it may mean you have not paid your membership dues. If you slipped and want to continue your membership, please send your check, payable to AWC, to me; my address can be found in this newsletter and on the website. - **Liz Grimes**, Membership Chair

We would like to thank **Peter De Vries** for his long service to our club. As mentioned by **Melinda Evans**, we will be seeking someone to fill Peter's shoes. Please do not hesitate to step forward for this rewarding and vital role in our organization. - **Karen McGady**, Editor, AWC Newsletter

PRESIDENT'S VIEWPOINT

(Continued from p. 1)

Working with them, I pledge to remain responsive to membership needs, never forget that AWC was formed to devote "itself exclusively to the practice, education, and promotion of watercolor as an art medium" and I will work to find ways to improve upon such a wonderful foundation of success.

Building on all that was accomplished in 2015, I am looking forward to year full of opportunities to paint, socialize with each other, take a workshop, share our talents and exhibit our work.

Finally, we want your ideas as this is your AWC. Let us hear from you.

With the warmest of regard, **Melinda Evans**,
President, AWC

Expressive Color Workshop

with **Sue Corrigan-Yo**

During this workshop we will explore 5 different color palettes: Standard, Delicate, Intense, Opaque Earth and Bright Earth. We will discover the vastly different results that can be achieved by changing your ‘triad’ colors. We will look at the qualities of color, i.e. transparent/opaque/staining/lifting/granulating or smooth. Exploring how colors mix/work together to achieve either delicate jewel like effects, intense contrasting color or deep earthy outcomes. Expect to achieve 4 miniatures, 1 larger painting and a deeper understanding of color and how it works. Also there will be demonstrations, handouts and individual guidance on painting techniques. This course will enhance your paintings for years to come. - **Sue Corrigan-Yo**
